

GWN Conference Hotel Information

GWN is pleased to announce that our 2015 Educational Conference will once again be held at The W Fort Lauderdale (<http://www.wfortlauderdalehotel.com>) in Ft. Lauderdale, FL from October 22nd – 25th. The W is located approximately 8 miles from the Ft. Lauderdale Airport (FL) on the World famous Ft. Lauderdale Beach. The nightly rate is \$229 and there is no resort fee.

We were proud to receive so many compliments on the educational value at last year's Conference, so we have already begun a dedicated search to offer an even greater number of quality speakers. We are confident that you will once again find this year to be a worthwhile blend of both information and entertainment.

Since rooms will be available on a first come first serve basis and we do expect to sell out this year, please do not delay in registering for the 2015 Conference at the W Ft. Lauderdale (www.wfortlauderdalehotel.com).

GWN will pay for all but one night (maximum of three night's room compensation) for your stay. So, if you attend three nights, GWN will pay for two nights and if you stay four nights, GWN will pay for three. The third night is contingent on you attending the October 22nd training sessions (topics to be announced soon), as was the case last year. You will be required to notify us of your planned attendance for the training sessions in advance to receive the room credit. There is no booking code this year, so please just call (954) 414-8200 (or toll free at 888-625-4988) and tell them you're with the GWN Conference or go to <https://www.starwoodmeeting.com/Book/GWN>.

Transportation will be provided from the FLL airport to the W from 11:00 am EST – 8:00 pm EST on Wednesday, October 21st and from 11:00 am EST – 5:00 pm EST on Thursday, October 22nd. Transportation to FLL will take place all day on Sunday, October 25th. If you decide not to arrive/depart during these times or take the transportation provided, or you do not provide us flight itinerary information by September 30th, you will be responsible for your own transportation (it's approximately a \$25 cab fare) at your own expense.
